Call for Nominations for the Høst-Madsen Award 2021

Dear Colleague,

The Høst-Madsen Award is the highest Scientific Award of FIP. It is given every second year in the memory of Dr Høst-Madsen, who for many years was a very eminent President of FIP.

The Award is sponsored by the Danmarks Apotekerforening (Association of Danish Pharmacies).

A candidate for this Award is a distinguished research-active scientist who has made significant and outstanding contributions to the diverse field of pharmaceutical sciences. No prior affiliation with FIP is required.

The Høst-Madsen Medallist will be selected by the Høst-Madsen Award Committee. The recommendation of the Award Committee has to be approved by the Board of Pharmaceutical Sciences of FIP at its meeting in early 2021. The Awardee will receive the Høst-Madsen Medal at the FIP World Congress 2021 in Seville, Spain.

Any member of FIP (Member Organisations and Individual Members) may nominate any other Scientist in the Pharmaceutical Sciences for this Award.

For more information, we kindly refer you to the guidelines and previous medallists, to be found online <https://www.fip.org/awards#Host-Madsen-Medal>.
